Preface

Director's Message

Özyeğin University's world-renowned faculty have come together with the mission of preparing qualified professionals, and contributing to society and economy in Turkey. For this is a huge task that entails resources beyond the reach of a single academician, or a single faculty, or even a single university, we embrace/value a multi-disciplinary and institutional cooperation approach. In sharing our Research Catalogue with you, in other words, our R&D Centers, Industrialists, Public Organizations, Sectoral Clusters, Agencies, and other Universities, our goal is to emphasize the fact that we are a reliable stakeholder you can work together with on national and international projects.

Özyeğin University maintains its prime position as the youngest foundation university in the top 10 and top 7% in TÜBİTAK's "Entrepreneurial and Innovative Universities Index". In 2019, the University was also ranked in the top 100 in the THE (Times Higher Education) IMPACT rankings and placed 1st in Turkey's University Satisfaction Survey (TÜMA).

Our 2019-2020 catalogue contains the fields of specialization, research interests, and contact details of research faculty at Özyeğin University. Prospective partner institutions and organizations are also invited to contact our Technology Transfer Office (TTO) or our Center for Entrepreneurship, which serve as an interface between our University and prospective partners.

Kind Regards,

Asst. Prof. İsmail Arı
TTO and Entrepreneurship Director

ACADEMIC MANAGEMENT

Rector, Prof. Esra Gençtürk

Prof. Esra Gençtürk was appointed as the Rector of Ozyegin University in 2014. After graduating from Robert College (1977) in Turkey, she received her B.S. degree (1981) from University of Southern California, and earned her M.B.A. (1983) and Ph.D. in Marketing (1990) from University of Minnesota. Before joining Özyeğin University in 2009, Dr. Gençtürk was on the Marketing and International Business faculty of the University of Texas at Austin (1989-1996), and a faculty member of the College of Administrative Sciences and Economics at Koç University (1996-2009). She joined Ozyegin University in 2009 as Executive Director of Sector Solutions Program, and served as the Vice Rector between 2011 and 2014.

Dr. Gençtürk was the recipient of the University of Minnesota annual doctoral dissertation fellowship for 1986-1987, and was a fellow at the 1986 American Marketing Association Doctoral Consortium. She was also the co-recipient of the 1987 Robert Lieberman Memorial Award for teaching excellence at the University of Minnesota. At the University of Texas, Dr. Gençtürk was a finalist in the 1990 Business Council Texas Excellence Teaching Award, and was nominated for several teaching awards including the Friar Centennial Teaching Fellowship (Spring 1991, Spring 1990), College of Business Administration Foundation Teaching Award (Spring 1992, Spring 1991) as well as the Hank and Mary Harkins Foundation Award for Effective Teaching in Large Classes (Spring 1990, Spring 1993). Dr. Gençtürk has taught International Marketing, Marketing Research, and Marketing Strategy at both the undergraduate and graduate levels as well as at Executive MBA and Executive Training programs.

Dr. Gençtürk's research interests include strategic marketing and competition strategies, management of distribution channels, foreign market entry and penetration strategies, research design, and measurement considerations. In addition to her award-winning research and articles published in refereed international journals, Prof. Gençtürk also served on the editorial boards of the Journal of International Business Studies, the Journal of International Marketing, the Journal of International Management, and Advances in International Marketing. Prof. Gençtürk served as Vice President of Communications for the American Marketing Association Global Special Interest group for two consecutive terms between 2005 and 2010, and was elected as its Chair in 2011.

Prof. A. Tanju Erdem
Vice Rector for Academic Affairs

A. Tanju Erdem received a B.S. degree in electrical and electronics engineering and a B.S. degree in physics in 1986 from Bogazici University, Istanbul, Turkey. He received an M.S. degree in 1988 and a Ph.D. degree in 1990, both in electrical engineering, from University of Rochester, Rochester, New York,

USA. He was a member of the Research Laboratories of Eastman Kodak Company, Rochester, New York, USA, from 1990 to 1998, where he worked on various aspects of image and video processing. He has co-founded, and served until 2009 as the CTO, of Momentum, A.S., a 3D digital media technologies company established in Istanbul, Turkey, in 1998. He has served on the ISO-MPEG committee from 1991 to 1998. He was the Chair of the IEEE Signal Processing Society Turkey Chapter and served as an Associate Editor for Signal Processing: Image Communication during 2010-2014. He joined Özyeğin University in 2009, where he served as Head of the Computer Science Department during 2012-2014 and as Dean of the Engineering Faculty as well as Director of the Graduate School of Engineering and Science during 2014-2018.

Prof. Güray Erkol
Vice Rector for Student Development and Experience

Prof. Erkol obtained his BSc and MS degrees in Physics from the Middle East Technical University (METU) in 1999 and 2001, respectively. He worked as a research assistant at METU and as a researcher at the Nuclear Physics Accelerator Institute in the Netherlands. He got his Ph.D. degree in Physics from the University of Groningen in 2006. He worked

as a postdoctoral researcher at the Tokyo Institute of Technology from 2006 to 2008 and joined Özyeğin University in 2008. He published papers and run research projects in high-energy, particle and hadron physics. In 2013, he won the first Faculty Excellence in Teaching and Learning award of the University. He was appointed as the Dean of Students between 2016-2018.
